## **RAILCAR LEASE**

THIS RAILCAR LEASE dated as of November 30, 1992, by and between THE CONNECTICUT NATIONAL BANK, a national banking association, not in its individual capacity but solely as Owner Trustee under the Trust Agreement dated as of November 30, 1992 with BA LEASING & CAPITAL CORPORATION, a California corporation, as the Lessor, and WESTERN RESOURCES, INC., a Kansas corporation, as the Lessee.

In consideration of the mutual covenants and agreements hereinafter set forth, the parties hereto agree as follows:

### **SECTION 1. DEFINITIONS.**

For purposes of this Lease, capitalized terms used herein shall have the meanings assigned to them in Annex 1 hereto, as the same may be amended from time to time (such definitions to be equally applicable to both the singular and plural forms of the terms defined). Any term defined by reference to an agreement, instrument or other document shall have the meaning so assigned to it whether or not such document is in effect. Unless otherwise indicated, references without qualification in this Lease to sections, paragraphs, clauses, appendices, schedules and exhibits are to the same contained in or attached to this Lease.

### **SECTION 2. AGREEMENT FOR LEASE OF EQUIPMENT.**

Subject to, and upon all of the terms and conditions of this Lease, Lessor hereby agrees to lease to Lessee and Lessee hereby agrees to lease from Lessor each Item of Equipment for the Lease Term.

### **SECTION 3. DELIVERY AND ACCEPTANCE OF EQUIPMENT.**

Lessor shall not be liable to Lessee for any failure or delay in obtaining any Item of Equipment or making delivery thereof. Upon execution and delivery of a Lease Supplement substantially in the form attached hereto as Exhibit B by Lessor and Lessee, the Items described therein shall be deemed to have been delivered to and accepted by Lessee as agent for Lessor under the respective Acquisition Agreement and for all purposes of this Lease, and thereupon shall be subject to all of the terms, provisions and conditions of this Lease.

Lessee's execution and delivery of a Lease Supplement shall be evidence that the Items of Equipment listed therein have been subjected to this Lease on the terms hereof. Lessee's execution and delivery of a Lease Supplement with respect to an Item of Equipment pursuant to this Section 3 shall conclusively establish that, as between Lessor and Lessee, but without limiting or otherwise affecting Lessor's or Lessee's rights, if any, against any other Person, such Item of Equipment is acceptable to and irrevocably accepted by Lessee under the Lease, notwithstanding any defect with respect to design, manufacture, condition or any other matter or the failure of any such Item of Equipment to comply to the specifications

applicable thereto or to all applicable Federal or state governmental standards including, without limitation, any imposed by the United States Department of Transportation and ICC requirements and specifications, if any, or to all standards recommended by the AAR applicable to railroad equipment of the character of the Equipment as of the date hereof, and that, as between Lessor and Lessee, such Item of Equipment is in good order and condition.

#### SECTION 4. LEASE TERM.

The interim term (the "*Interim Term*") for each Item of Equipment shall commence on the Acceptance Date for such Item of Equipment and shall terminate at 11:59 P.M. Wilmington, Delaware time on May 27, 1993 unless this Lease is sooner terminated with respect to such Item pursuant to the provisions hereof. The basic term (the "*Basic Term*") for each Item of Equipment shall commence on May 28, 1993 (the "*Basic Term Commencement Date*") for such Item and, unless this Lease is sooner terminated with respect to such Item (or all Equipment) pursuant to the provisions hereof, shall terminate on May 28, 2013. If not sooner terminated pursuant to the provisions hereof, the Lease Term for each Item of Equipment shall end on the last day of the Basic Term thereof, or if this Lease is renewed pursuant to Section 25(a) hereof as to such Item, on the last day of the last Renewal Term thereof.

#### SECTION 5. RETURN OF EQUIPMENT.

(a) *Return of Equipment upon Expiration of Term.* Unless the provisions of Section 5(b) hereof shall then apply, upon the expiration or earlier termination of the Lease Term with respect to each Item of Equipment (and provided, in the case of the expiration of the Lease Term, that Lessee has not exercised its purchase option under Section 25(b) hereof), Lessee will undertake to deliver possession of each Item of Equipment to Lessor, at up to six locations selected by the Lessee, and reasonably acceptable to the Lessor, in the condition described in Section 10 hereof. The location of each such Item shall be specified in a written notice given by Lessee to Lessor at least thirty (30) days prior to such redelivery (each, a "*Redelivery Location*"). Lessor shall provide a written notice to Lessee, specifying Lessor's objection, if any, to such Redelivery Location, within 10 days after receipt by Lessor of such written notice from Lessee. Lessee, at Lessee's expense and at the risk of the Lessor, shall permit Lessor to store the Equipment at the Redelivery Locations for a period not exceeding 60 days from the date on which the Lessee shall have assembled in the aggregate 75% of the Equipment then subject to this Lease at such Redelivery Locations (the "*Storage Period*"). In addition, Lessee will use reasonable efforts to assist the Lessor in securing storage space at Lessor's expense and risk for an additional period of time. Any Item of Equipment delivered to a Redelivery Location shall be deemed to be redelivered hereunder on the date on which such Item of Equipment shall have been delivered to any Redelivery Location in the condition described in Section 10 hereof, *provided* that Lessee has given the notice set forth above. On not more than one occasion during the Storage Period with respect to each stored Item of Equipment and upon reasonable (and in any event upon not less than 30 days' prior) written notice from Lessor to Lessee (which notice shall specify the transportation of all or not less than 100 Items of

Equipment), Lessee will transport such Items of Equipment, at Lessee's cost and expense, to a destination or interchange point, f.o.t. such destination specified by the Lessor. During the period of 240 days prior to the end of the Lease Term or any Renewal Term at a place or places designated by Lessee and during the Storage Period, upon two Business Days prior notice, Lessee will permit Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser or user of such Item of Equipment, to inspect each Item of Equipment. Subject to the following paragraph, Fixed Rent or Renewal Rent, as the case may be, with respect to any Item of Equipment so deemed to have been redelivered shall cease to accrue.

(b) *Return of Equipment upon Default.* If the Lessor shall terminate this Lease pursuant to Section 19 hereof, the Lessee shall forthwith deliver possession of the Equipment to the Lessor. For the purpose of delivering possession of any Item to the Lessor as above required, the Lessee shall at its own cost, expense and risk: (i) forthwith deliver such Items to not more than six (6) locations as the Lessor shall designate, and (ii) permit the Lessor to store such Items for a period of 360 days at such locations without charge for insurance, rent or storage, and during such period of storage the Lessee shall continue to maintain all insurance required by Section 16 hereof.

Each such Item will, when placed in storage and at all times during the storage period, be in the condition required by Section 10 hereof and the Lessee shall comply as reasonably required by the Lessor to enable the Items to be sold or leased to a third party for use in interchange service under the Interchange Rules. Lessee agrees that no Item shall be considered to have been returned under this Section 5(b) until the Lessee has returned such Item in such condition.

(c) In the event any Item of Equipment is not returned as hereinabove provided as a result of any action or inaction on the part of Lessee as of the date of the expiration of the Lease Term or the Renewal Term with respect to such Item of Equipment, Lessee shall pay to Lessor, for each day thereafter as liquidated damages, and not as a penalty, for the failure of Lessee to return such Unit to Lessor at the expiration of the Lease Term as required by the provisions of Section 5.1(a), an amount equal to the daily equivalent of the arithmetic average of the Fixed Rent during the Basic Term for such Item of Equipment or, if the failure to return occurs after a Renewal Term, the arithmetic average of the rent paid during the Renewal Term for such Item of Equipment. The provision for such payment shall not be in abrogation of Lessor's right under Section 5.1(a) to have such Item of Equipment returned to it hereunder.

(d) *Essence of Lease.* The assembling, delivery, storage and transporting of the Equipment as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Equipment.

## SECTION 6. RENT.

(a) *Interim Rent.* Lessee hereby agrees to pay Lessor Interim Rent for the use by Lessee of each Item of Equipment during the Interim Term in one installment payable on May 28, 1993 in an amount equal to 0.100% of Equipment Cost. In addition, Lessee hereby agrees to pay Lessor Interim Rent for the use by Lessee of each Item of Equipment during the Interim Term in one installment payable on May 28, 1993 in an amount equal to the difference, if any, between (i) the amount that the Owner Participant shall be obligated to pay under and pursuant to Section 2.1(b) of the Participation Agreement, and (ii) the amount actually paid to the Security Trustee by the Owner Participant under and pursuant to Section 2.1(b) of the Participation Agreement. Subject to the provisions of Section 6(e), in the event that Lessee shall make a payment of Interim Rent hereunder as a result of the Owner Participant's failure to pay the full amount required to be paid by the Owner Participant under Section 2.1(b) of the Participation Agreement, Lessee shall be entitled to offset such amount plus interest thereon at the rate per annum of 11.08% against payments of Fixed Rent, Stipulated Loss Value and Termination Value until such time as Lessee has been paid or shall have so offset the amount of such Interim Rent payment and such interest; *provided* that Lessee shall not have such right of offset if a Default or an Event of Default hereunder shall have occurred and be continuing.

(b) *Fixed Rent.* Lessee hereby agrees to pay Lessor Fixed Rent for the use by Lessee of each Item of Equipment during the Basic Term, in consecutive semi-annual installments, in arrears, due and payable on each Rent Payment Date and continuing until the expiration or earlier termination of the Basic Term, with each such installment to be in an amount equal to the product obtained by multiplying (i) the Purchase Price of such Item of Equipment by (ii) the applicable percentages set forth under the heading "Total Rent" in Exhibit C attached hereto. Lessee hereby agrees to pay Lessor Fixed Rent for each Item of Equipment during each Renewal Term thereof as specified in Section 25(a) hereof.

(c) *Supplemental Rent.* Lessee also agrees to pay to Lessor, or to whomever shall be entitled thereto, all Supplemental Rent, as the same shall become due and owing. Lessee shall also pay to Lessor (and, in the case of payments of Supplemental Rent payable to other Persons hereunder, such other Persons) on demand, as Supplemental Rent, to the extent permitted by applicable law, interest at the Late Rate on any part of any installment of Interim Rent or Fixed Rent or any amount due under Section 19 hereof not paid when due at or prior to the time specified for such payment for any period for which the same shall be overdue and on any payment of Supplemental Rent payable to the Note Purchaser or the Security Trustee and not paid when due for the period from the due date thereof until the same shall be paid and at a rate per annum equal to 1% plus the Prime Rate on any payment of Supplemental Rent payable to the Owner Participant or the Owner Trustee and not paid when due for the period from the due date thereof until the same shall be paid. The payment or satisfaction of Lessee's obligation with respect to Fixed Rent or any installment thereof shall not limit any obligation of Lessee which may have accrued during the Lease Term with respect to Supplemental Rent. In the event of any failure on the part of Lessee to pay any such Supplemental Rent hereunder Lessor shall have all rights, powers and remedies provided for herein or by law or equity or otherwise in the case of nonpayment of Rent.

(d) *Method of Payment.* All payments of Interim Rent, Fixed Rent and Supplemental Rent required to be made by Lessee to Lessor shall be made by 11:00 A.M. Wilmington, Delaware time on the date payment is due in United States dollars and in immediately available funds. If any such date is not a Business Day, then payment shall be due on the next succeeding Business Day and if paid on such Business Day by 11:00 A.M. Wilmington, Delaware time, such payment shall be without interest for such additional day or days and without penalty. In the event of any assignment pursuant to Section 13(b) hereof, all payments or right to payments which are properly assigned thereunder, whether Interim Rent, Fixed Rent, Supplemental Rent or otherwise, shall be paid to such address as shall be designated by Lessor and any such assignee. All payments of Rent (other than payments with respect to Excepted Rights in Collateral, which shall be paid to the Person entitled thereto) shall be paid by Lessee to Lessor at its office at The Connecticut National Bank, Hartford, Connecticut, ABA No. 011900445, Attention: Corporate Trust Administration, or as Lessor may otherwise direct from time to time in writing; provided, that so long as the Security Agreement shall not have been discharged pursuant to Section 12.4 thereof, Lessor hereby directs, and Lessee agrees, that all payments of Rent and all other amounts payable to Lessor hereunder (other than payments with respect to Excepted Rights in Collateral, which shall be paid to the Person entitled thereto) shall be paid directly to the Security Trustee at its office at Rodney Square North, Wilmington, Delaware 19890, Attention: Corporate Trust Administration, or as the Security Trustee may otherwise direct, at such time so as to be received by the Security Trustee prior to 11:00 A.M. Wilmington, Delaware time on the date of payment.

(e) *Minimum Payments.* Notwithstanding anything to the contrary contained herein or in any other Operative Agreement, in all events and irrespective of any adjustment thereto, (i) the installment of Interim Rent payable on May 28, 1993 shall be at least equal to the amount of accrued interest due and payable on such date in respect of all Notes then outstanding less the amount paid in respect thereof by the Owner Participant pursuant to Section 2.1(b) of the Participation Agreement, (ii) each installment of aggregate Fixed Rent payable with respect to all Items of Equipment then subject to this Lease on each Rent Payment Date shall be at least equal to the aggregate amount of principal and accrued interest due and payable on such date in respect of all Notes then outstanding and (iii) each payment of Stipulated Loss Value and Termination Value (when added to all other amounts required to be paid by the Lessee under this Lease in respect of any Event of Loss or termination of this Lease) shall be at least equal to an amount sufficient, as of the date of payment, to pay in full the principal of and premium, if any, and interest on all Notes due under the Security Agreement on account of such Event of Loss or termination. Nothing in this Section 6(e) shall be deemed to constitute a guarantee by Lessee of the indebtedness evidenced by the Notes or a guarantee of the residual value of any Item of Equipment.

(f) *Adjustments to Rent, etc.* The percentages for Fixed Rent, Stipulated Loss Value and Termination Value set forth in Exhibits C and D, have been calculated in part on the basis of the Pricing Assumptions. If any such Pricing Assumption (other than any Tax Assumption set forth in the Pricing Assumptions) proves to have been incorrect, then such percentages for Interim Rent, Fixed Rent, Stipulated Loss Value and Termination Value shall be adjusted (upward or downward) so as to preserve Owner Participant's Net

Economic Return. Any adjustments pursuant to this Section 6(f) shall (A) satisfy the provisions of Revenue Procedure 75-28 and any other applicable statutes, regulations, revenue procedures, revenue rulings or technical information releases relating to the subject matter of such Revenue Procedure, (B) be made in a manner designed to avoid application of Section 467(b)(2) of the Code and any regulations thereunder or any other similar provision of Federal income tax law and not otherwise cause any adverse effect under any Federal income tax law in effect at the time of such adjustment, (C) not adjust the Fixed Rent or the Stipulated Loss Values and Termination Values to an amount less than the Fixed Rent and Stipulated Loss Values and Termination Values required to enable Lessor to satisfy in full its obligations in respect of the Notes, and (D) to the extent possible and not inconsistent with the foregoing, minimize the net present value of the remaining Fixed Rent (using a discount rate equal to the interest rate on the Notes) to the extent the foregoing criteria are met (subject to the requirements of Section 6(e) hereof). Lessor shall furnish to each holder of a Note and to the Security Trustee, at least ten (10) days prior to any adjustment of the Fixed Rent, Stipulated Loss Values and Termination Value pursuant to this Section 6(f), revised schedules of such Fixed Rent, Stipulated Loss Values and Termination Value, as so adjusted in such form as is provided to the Lessor by the Owner Participant.

(g) *Computation of Adjustments.* (i) Upon the occurrence of an event requiring adjustments to the percentages for Interim Rent, Fixed Rent, Stipulated Loss Value and Termination Value pursuant to Section 6(f), Owner Participant shall make the necessary computations on a basis consistent with that used by Owner Participant in the computation of the percentages for Fixed Rent, Stipulated Loss Value and Termination Value in connection with the execution and delivery of the Participation Agreement and this Lease, taking into account only the event giving rise to the adjustments. Subject to paragraph (ii) of this Section 6(g), such adjustments shall be effective 30 days after the date Owner Participant shall have furnished to Lessee a certificate signed on behalf of Owner Participant by a responsible officer confirming that such adjustments have been properly computed in accordance with the provisions of this Lease, and shall remain effective until changed in consequence of any inaccuracy discovered in the course of any verification procedure conducted pursuant to paragraph (ii) of this Section 6(g).

(ii) Within 30 days after Owner Participant shall have provided Lessee with a certificate pursuant to paragraph (i) of this Section 6(g), Lessee (based on verification by Connell Finance Company, Inc.) either shall confirm the accuracy of such computation or shall notify Owner Participant that such computation, and the resulting adjustments proposed by Owner Participant, are inaccurate. In the latter event and in the event Lessee and Owner Participant do not agree within 10 days as to the adjustments to be made, Owner Participant and Lessee agree to submit the matter to a nationally recognized independent accounting firm selected by the Owner Participant and reasonably acceptable to the Lessee, and the conclusion of such firm as to the proper adjustments shall be conclusive and binding on Lessee, Owner Participant and Lessor. All reasonable out-of-pocket expenses incurred by Owner Participant and Lessee in connection with the verification procedures described in this paragraph (ii) shall be paid by Lessee, unless the adjustments of the percentages for Fixed Rent proposed by Owner Participant shall exceed the actual adjustments of such percentages, properly computed and confirmed, by ten basis points or more, in which case

all such expenses shall be paid by Owner Participant. Each adjustment of the percentages for Interim Rent, Fixed Rent, Stipulated Loss Value and Termination Value shall be evidenced by the execution and delivery of a supplement to this Lease in form and substance satisfactory to Lessee, Lessor and Owner Participant (the preparation of which shall be at Lessee's expense), and shall be effective as provided herein without regard to the date on which such supplement to this Lease is so executed and delivered. So long as the Lien of the Security Agreement shall remain outstanding, copies of the certificates, proposed adjustments and final adjustments shall be forwarded by the Owner Participant to the Security Trustee.

#### SECTION 7. NET LEASE.

This Lease is a net lease and Lessee acknowledges and agrees that Lessee's obligations hereunder shall be absolute and unconditional under any and all circumstances and shall be paid without notice or demand and without any abatement, reduction, suspension, diminution, deferral, setoff, defense, counterclaim or recoupment whatsoever, including, without limitation, any abatement, reduction, suspension, diminution, deferral, setoff, defense, counterclaim or recoupment due or alleged to be due to, or by reason of, any past, present or future claims which Lessee may have against Lessor, Owner Participant, any assignee, Security Trustee, any vendor or manufacturer of the Equipment or any part or Item thereof, the holders from time to time of the Notes, or any other Person, either under this Lease or otherwise, for any reason whatsoever; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the obligations of Lessee be otherwise affected for any reason whatsoever, including any defect in or damage to or loss of possession or loss of use or destruction of the Equipment or any part or Item thereof, the condition, design, operation or fitness for use thereof, any Liens or rights of others with respect to the Equipment or any part or Item thereof, any prohibition or interruption of or other restriction against Lessee's use, operation or possession of the Equipment or any part or Item thereof, or any interference with such use, operation or possession by any Person or entity (including confiscation, requisition or other taking by any governmental authority, any person acting under governmental authority or otherwise, or action of any public or private person, whether by eviction by paramount title or for any other reason whatsoever), the invalidity or unenforceability or lack of due authorization of this Lease, or any other Operative Agreement, any defect in the title to, compliance with plans or specifications for condition, design or fitness for use of all or any of the Items of Equipment, any insolvency of or any bankruptcy, reorganization or other proceeding against Lessee, Lessor or any other person, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention and agreement of the parties hereto, and the basis of the bargain, that (to the extent permitted by applicable law) Interim Rent, Fixed Rent, Renewal Rent, Supplemental Rent and other amounts payable by Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless and until the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease (in the case of any return of the Equipment to the Lessor, any such Item of Equipment shall not be deemed to have been returned to the Lessor's possession until all of the Lessee's obligations with respect to the return of such Item have been performed). To the extent permitted by applicable law, Lessee hereby

waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender this Lease of any of the Items of Equipment except in accordance with the express terms hereof. Each Interim Rent, Fixed Rent, Renewal Rent, Supplemental Rent or other payment made by Lessee hereunder shall be final and Lessee shall not seek to recover all or any part of such payment (except for any excess payment made in error) from Lessor, Owner Participant, Security Trustee, or any holder or former holder of a Note for any reason whatsoever.

Without limiting the generality of the foregoing, Lessee covenants that it will remain obligated under this Lease in accordance with its terms, and will not take any action to terminate (except in accordance with the express provisions hereof), rescind or avoid this Lease for any reason, notwithstanding any insolvency, bankruptcy, reorganization or other proceeding affecting Lessor or Owner Participant, or any property of Lessor or Owner Participant, or any action which may be taken by any receiver, trustee or liquidator (or other similar official) or by any court.

Nothing in this Section or in any other provision of this Lease shall preclude any separate, independent claim (not by way of abatement or reduction of any amount at any time payable by Lessee hereunder) by Lessee for the breach of any representation, covenant, undertaking or agreement made herein and in any other Operative Agreement for the benefit of Lessee by Lessor or Owner Participant.

#### SECTION 8. LESSOR'S TITLE; EQUIPMENT TO BE AND REMAIN PERSONAL PROPERTY.

Title to the Equipment shall at all times remain in Lessor and at no time during the Lease Term shall title become vested in Lessee. This Lease is and is intended to be a true lease and not a lease intended as security or a lease in the nature of a security interest. Lessee shall acquire no right, title or interest in or to the Equipment, except the right to use the same pursuant to the terms of this Lease. It is the intention and understanding of both Lessor and Lessee that the Equipment shall be and at all times remain personal property and be treated as a true lease.

#### SECTION 9. USE OF EQUIPMENT; COMPLIANCE WITH LAWS.

Lessee shall pay all costs, expenses, fees and charges incurred in connection with the use and operation of the Equipment during the lease thereof. Lessee agrees that the Equipment will be used and operated solely in the regular course of its business (other than the initial transportation of the Equipment from the Seller's manufacturing facility to the location of Lessee's regular business and other than as operated pursuant to any permitted sublease) and in compliance in all material respects with all statutes, laws, ordinances, rules and regulations of any Federal, state or local governmental body, agency or authority applicable to the use and operation of the Equipment. If such laws or rules require any alteration, replacement or addition of or to any part on any Item of Equipment, Lessee will conform therewith at its own expense. Lessee agrees not to operate or locate any Item of Equipment, or to suffer any Item of Equipment to be operated or located, in any area

excluded from coverage by any insurance policy required by the terms of Section 16 hereof or to operate or locate any Item of Equipment in such a manner as to violate the terms of any insurance policy required by the terms of said Section 16, except in the case of a requisition for use by the United States Government where Lessee (or any sublessee) has obtained, prior to the operation or location of the Item of Equipment in such area or in such manner, indemnification or insurance in lieu of such indemnification from the United States Government against the risks and in the amounts required by, and in compliance with, Section 16 hereof covering such area or in such manner.

Lessee shall procure and maintain in effect all licenses, registrations, certificates, permits, approvals and consents required by Federal, state or local laws or by any governmental body, agency or authority in connection with the use and operation of each Item of Equipment, including any instruments required by the AAR. Notwithstanding the foregoing sentence, however, Lessee will cause this Lease and the Security Agreement to be filed and recorded with the Interstate Commerce Commission ("ICC") in accordance with Section 20c of the Interstate Commerce Act, and will do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) this Lease and any and all amendments or supplements to this Lease, or otherwise with respect to or including any other Operative Agreement, in connection with any assignment or sublease pursuant to Section 13(a) or otherwise, any financing statements or similar instruments, and any and all further instruments required by law or reasonably requested by Lessor, for the purpose of protecting Lessor's title to any Item of Equipment to the satisfaction of Lessor and Lessor's counsel or for the purpose of carrying out the intention of this Lease, including, without limitation, any such filings and recordings as shall be necessary to evidence any change in name of Lessee or Lessor, or any merger or consolidation thereof. Lessee will pay all costs, charges and expenses incident to any such filing, refiling, recording and re-recording or depositing and redepositing of any such instruments or incident to the taking of such action. Lessor hereby agrees to reimburse Lessee for all costs, charges and expenses incurred by Lessee pursuant to the immediately preceding sentence resulting from a name change of Lessor or a merger or consolidation involving Lessor. This Lease shall be filed and recorded with the ICC prior to the delivery and acceptance hereunder of any Item.

The Equipment will at all times during the Lease Term be and remain in the possession and control of Lessee, subject to the terms of Section 13(a) hereof. Lessee shall operate the Equipment and permit the Equipment to be located only in the contiguous states of the United States. Lessee shall not use and will not permit any other person to use any Equipment or allow the same to be used for any unlawful purpose. Lessee shall use and operate the Equipment or cause it to be used and operated only by railroad carriers or personnel authorized by Lessee, and Lessee shall use every reasonable precaution to prevent loss or damage to each Item of Equipment from fire and other hazards. Lessee shall use the Equipment only in the manner for which it was designed and intended and so as to subject it only to ordinary wear and tear; *provided*, that the Lessee shall not, except with respect to the transportation of coal, petroleum coke and other carbon derivative products or fuels (whether natural or treated), in each case no more abrasive or corrosive than coal, use the Equipment and shall not permit the Equipment to be used to transport or store hazardous or

toxic substances or materials or other substances or materials containing or contaminated by hazardous or toxic substances or materials.

#### SECTION 10. MAINTENANCE AND REPAIR OF EQUIPMENT.

Lessee shall, at its own expense, (i) maintain and keep the Equipment in good physical condition and working order consistent with prudent industry maintenance and practice, and as otherwise may be required by any insurance policies, if any, maintained pursuant to Section 16 or to enforce warranty claims against each vendor and manufacturer of each Item of Equipment, ordinary wear and tear excepted; (ii) maintain the Equipment in accordance with the standards then in effect under (A) the Interchange Rules or similar successor guidelines of the AAR (the "*Interchange Rules*") and (B) regulations of the Federal Railroad Administration, and at least equal to the standards of maintenance which Lessee performs on similar equipment owned or leased by Lessee; and (iii) comply in all material respects with all requirements of law applicable to the maintenance and condition of the Equipment.

#### SECTION 11. REPLACEMENTS; ALTERATIONS; MODIFICATIONS.

Lessee shall, at its sole expense, make all alterations, modifications, additions or attachments required by applicable law or regulation for the continued usefulness of the Equipment, except where Lessee has given irrevocable written notice of the exercise of its termination rights under Section 27 hereof. Lessee may, at its sole expense, make other alterations, modifications, additions or attachments to the Equipment so long as the fair market value and useful life of an Item of Equipment is not reduced thereby and so long as such alterations, modifications, additions or attachments do not cause any such Item to become a limited use property within the meaning of Revenue Procedure 76-30, 1976-2 C.B. 647. Effective upon replacement, any parts which have been replaced by replacement parts shall belong to Lessee, free of any Lien. So long as no Event of Default has occurred and is continuing, and so long as the value and useful life of the Equipment (exclusive of any such alterations, modifications, additions or attachments) is not reduced thereby, any such alteration, modification, addition or attachment, which was paid for by Lessee and not reimbursed or otherwise compensated for by Lessor, shall remain the property of Lessee and may (subject to the last two sentences of this Section 11), be removed by Lessee prior to return of the Equipment pursuant to Section 5 hereof. If any alteration, modification, addition or attachment to an Item of Equipment (i) is a replacement of existing parts constituting part of the Items of Equipment, (ii) was made in the course of ordinary and proper maintenance of the Items of Equipment, (iii) is required by Federal, state or local law in order to permit the continued use of the Equipment; or (iv) cannot physically be removed without damage to the Equipment, it shall become the property of Lessor, and shall be subject to all the terms of this Lease. Upon termination of this Lease, Lessor shall have the option to purchase from Lessee any alterations, modifications, additions or attachments to any Item of Equipment if reasonably necessary for the economic operation of the Equipment not described in the preceding sentence at the Fair Market Sales Value of such alterations, modifications, additions or attachments, as the case may be.

## SECTION 12. IDENTIFICATION MARKS; INSPECTION.

Lessee agrees, at Lessee's cost and expense and on or before the Acceptance Date for each Item of Equipment, to place markings on the Equipment by stencil or by a metal tag or plate affixed thereto in letters not less than one inch in height, a legend substantially as follows: "Ownership subject to a Security Agreement filed with the Interstate Commerce Commission". With appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect Lessor's title thereto and ownership thereof and the Security Trustee's interest therein; *provided, however*, that such identification markings are to be placed so as not to interfere with the usefulness and utility of such Item of Equipment. If during the Lease Term any such identification marking shall be defaced or destroyed, Lessee shall cause such defaced or destroyed identification marking to be restored or replaced. Lessee will cause each Item of Equipment to be kept numbered with the road number and serial number as shall be set forth in any Lease Supplement hereto extending this Lease to cover such Item of Equipment. Lessee shall not allow the name of any other Person to be placed on any Item of Equipment as a designation that might be identified as a claim of ownership or any other interest therein; *provided*, that nothing herein contained shall prohibit Lessee or its permitted sublessees from placing the customary colors and insignia on any Item of Equipment of Lessee or of any facility in which Lessee has an interest or from naming each Item of Equipment. Lessee will not change the identification number of any Item of Equipment unless and until (i) a statement of a new number or numbers to be substituted therefor shall have been delivered to Security Trustee and Lessor and filed, recorded and deposited by Lessee in all appropriate public offices, including the public offices where this Lease and the Security Agreement shall have been filed, recorded and deposited, and (ii) Lessee shall have furnished Lessor and Security Trustee an opinion of counsel in form and substance reasonably satisfactory to them to the effect that such statement has been so filed, recorded and deposited and that such filing, recordation and deposit will protect Lessor's interest in such Items of Equipment and the Security Interest of the Security Trustee under the Security Agreement. Upon the reasonable request of Lessor, Lessee shall make the Equipment available to Lessor for inspection at a place or places to be reasonably designated by Lessee and shall also make Lessee's records pertaining to the Equipment reasonably available to Lessor for inspection during normal business hours, it being understood and agreed that Lessor shall have no obligation to make such inspection and shall incur no liability for failure to do so. During the continuance of a Default or an Event of Default, such inspection shall be at Lessee's expense.

## SECTION 13. ASSIGNMENTS AND SUBLEASES.

(a) *By Lessee.* Lessee will not, without the prior written consent of Lessor and the Security Trustee, assign its lease of any Item of Equipment, or transfer or encumber its rights or obligations hereunder, and any attempted assignment, transfer or encumbering by Lessee shall be null and void; *provided, however*, subject to the receipt of any necessary regulatory approvals, Lessee may, so long as no Default or Event of Default shall have occurred and be continuing, assign its lease of any Item of Equipment to an Affiliate of Lessee without the prior written consent of Lessor or the Security Trustee if Lessee gives written notice and a copy of such assignment to Lessor and the Security Trustee within 30

days after such assignment; *provided, further*, (A) subject to the receipt of any necessary regulatory approvals, Lessee may so long as no Default or Event of Default shall have occurred and be continuing without the prior consent of Lessor or the Security Trustee, sublease any Item of Equipment to any railroad company or other Person for a period not to exceed one year (or with only the consent of the Owner Trustee and the Security Trustee to any Person which is not an Affiliate of Lessee for any period) in accordance with customary industry practice so long as such assignment or sublease does not cause the Items of Equipment to be "tax-exempt use property" within the meaning of Section 168(h) of the Code and so long as such assignment or sublease does not extend beyond the end of the Lease Term, (B) with the consent of only the Owner Participant and the holders of the Notes, granted in the Owner Participant's and such holders' sole discretion, Lessee may assign the Lease to any Person or Persons and effective upon such assignment, be released of all of its obligations under the Operative Agreements and (C) the Lien of the Western Resources Indenture and any other Lien, now or hereafter in existence, affecting Lessee's assets, may attach to all of Lessee's rights under any Operative Agreement; *provided, however*, that no such Lien relating to Lessee may attach to any Item of Equipment or otherwise affect Lessor's title to or interest in the Equipment or affect the security interest of the Security Trustee under the Security Agreement. Any such sublease or assignment shall be subject to all the terms and conditions of this Lease and Lessee's obligations hereunder shall continue in full force and effect as the obligations of a principal and not of a surety irrespective of such sublease or assignment. Each sublease or assignment permitted by this paragraph shall be expressly subject and subordinate to all of the provisions of this Lease and to the rights and remedies of the Security Trustee under the Security Agreement and Lessor under this Lease in respect of the Items of Equipment covered by such sublease or assignment.

(b) *Transfers by Lessor.* Lessor shall not be entitled to transfer its interest in this Lease and the Trust Estate other than the assignment of this Lease by the Lessor to the Security Trustee pursuant to the Security Agreement except in compliance with Section 3.11 of the Trust Agreement, as in effect on the date hereof and as amended in accordance with the terms thereof. No such transfer by Lessor shall interfere with Lessee's rights under this Lease with respect to Lessee's use of the Items of Equipment. Lessee shall provide such information concerning the location of the Equipment as Lessor may reasonably request in connection with any such transfer.

Upon written notice by Lessor to Lessee of any such sale or assignment, Lessee shall thereafter make payments of all Fixed Rent and other sums due hereunder to the party specified in such notice and such payments shall discharge the obligation of Lessee to Lessor hereunder to the extent of such payments. Lessee shall be under no obligation to any assignee of Lessor, except upon written notice of such assignment to Lessee. Lessee hereby acknowledges and consents to the security interest and other rights and interests granted to the Security Trustee pursuant to the Security Agreement. Such notice is hereby given of the assignment of this Lease and all Rent and other payments to be made to the Lessor hereunder (other than Excepted Rights in Collateral) to the Security Trustee under and pursuant to the Security Agreement, and the Lessee agrees to make all payments of Rent in accordance with the provisions of Section 6(d). Upon any such sale or assignment under this Section 13(b), Lessee shall not be required to execute any documents in connection therewith other than a

form of acknowledgment, any required Uniform Commercial Code Financing Statements or any filings required by the ICC or AAR. Any expenses incurred in connection with any such sale or assignment shall be borne solely by Lessee if an Event of Default has occurred and is continuing, otherwise solely by Lessor. Lessee shall not be required to prepare any documents in connection with any such sale or assignment.

#### SECTION 14. LIENS.

Assuming that the Lease has been filed with the ICC, Lessee represents and warrants to Lessor that at the time an Item of Equipment is accepted by it under the Lease, such Item will be free and clear of all Liens except Permitted Encumbrances described in clauses (i), (iv) and (vi) of the definition thereof. Lessee will not create, incur, assume or suffer to exist any Lien on or with respect to the Equipment or any part or Item thereof, Lessor's title thereto, or any interest therein, except Permitted Encumbrances and except for the Lien of this Lease, the Lien of the Western Resources Indenture and any other Lien now or hereafter in existence, affecting Lessee's assets; *provided, however*, that no such Lien relating to the Lessee may attach to any Item of Equipment or otherwise affect the Lessor's title to or interest in the Equipment or affect the security interest of the Security Trustee under the Security Agreement. Lessee, at its own expense, will pay, satisfy and otherwise take such actions as may be necessary to keep the Equipment free and clear of, and to duly discharge or eliminate or bond in a manner satisfactory to Lessor, any such Lien other than Permitted Encumbrances if the same shall arise at any time during the Lease Term. Lessee will notify Lessor upon becoming aware of any tax or other Lien (other than any Lien excepted above) that shall attach to the Equipment or any Item of Equipment.

#### SECTION 15. LOSS, DAMAGE OR DESTRUCTION.

(a) *Risk of Loss, Damage or Destruction.* Lessee hereby assumes all risk of loss, damage, theft, taking, destruction, confiscation or requisition, partial or complete, of or to each Item of Equipment, however caused or occasioned, such risk to be borne by Lessee with respect to each Item of Equipment from the Acceptance Date, and continuing until the expiration or early termination of the Lease Term. Lessee shall promptly notify Lessor of any loss or casualty damage (other than any such loss or damage which constitutes an Event of Loss) to any Item or Items of Equipment where such loss or damage is estimated to exceed the amount of self-insurance or deductible amount maintained by the Lessee pursuant to and in accordance with Section 16 hereof. Lessee shall, within 90 days of notifying Lessor of such loss or casualty damage, notify Lessor that Lessee intends to repair such Item or Items of Equipment and provide Lessor with an estimated cost and time frame with respect to such repairs.

(b) *Payment of Stipulated Loss Value upon an Event of Loss.* If an Event of Loss occurs with respect to an Item or Items of Equipment during the Lease Term, Lessee shall, within forty-five (45) days after the occurrence of such Event of Loss, inform Lessor, the Security Trustee and Owner Participant in regard thereto and Lessee shall, on the next Rent Payment Date which is at least 45 days following the occurrence of such Event of Loss, pay

(i) the Stipulated Loss Value for such Item (computed as of such Rent Payment Date), plus (ii) the Fixed Rent and any Supplemental Rent due for such Item or Items of Equipment on such Rent Payment Date, plus (iii) all accrued and unpaid Fixed Rent and any Supplemental Rent owing for such Item or Items of Equipment through any prior Rent Payment Date. So long as no Default or Event of Default has occurred and is continuing, any payments received by Lessor or by Lessee from any insurer or other party (except Lessee) as a result of the occurrence of such Event of Loss will be applied in reduction of Lessee's obligation to pay the amounts described in the foregoing clause (i), if not already paid by Lessee, or, if already paid by Lessee, will be applied to reimburse Lessee for its payment of such amount, and any such payments in excess of the amounts described in the foregoing clause (i) shall be paid to or retained by Lessor, and after the occurrence and continuance of a Default or an Event of Default such payments shall be paid to the Security Trustee so long as the Lien of the Security Agreement shall not have been discharged and thereafter shall be paid to the Lessor. Upon payment in full of the amounts described in the first sentence of this Section 15(b), (A) the obligation of Lessee to pay Fixed Rent hereunder with respect to such Item or Items of Equipment for all Rental Periods commencing after the date of the payment of such amounts shall terminate and the Lease Term of such Item or Items shall thereupon terminate, (B) Lessee shall request the Lessor to execute a release with respect to such Item or Items of Equipment releasing such Equipment from the Lease and shall request the Lessor to request the Security Trustee, so long as the Lien of the Security Agreement remains undischarged, to execute a release with respect to such Item or Items of Equipment releasing such Equipment from the Lien of the Security Agreement and (C) except in the case of an Event of Loss described in clause (iii) or (iv) of the definition thereof, Lessee shall, as agent for Lessor, as soon as practicable, dispose of or cause the disposal of such Item or Items of Equipment in a manner reasonably acceptable to Lessor.

(c) *Application of Payments Not Relating to an Event of Loss.* So long as no Default or Event of Default shall have occurred and be continuing, any payments (including, without limitation, insurance proceeds) received at any time by Lessor or Lessee from any governmental authority or other party with respect to any loss or damage to any Item or Items of Equipment not constituting an Event of Loss will be applied directly in payment of repairs or for replacement of property in accordance with the provisions of Sections 10, 11 and 16 hereof, if not already paid by Lessee, or if already paid by Lessee, shall be applied to reimburse Lessee for such payment, and any balance remaining after compliance with said Sections with respect to such loss or damage shall be retained by the Lessee and the Lessor in the proportion that the remaining Basic Term of the Lease bears to the remaining useful life of the Item or Items of Equipment after the end of the Basic Term, and after the occurrence and continuance of a Default or an Event of Default such payments shall be paid to the Security Trustee so long as the Lien of the Security Agreement shall not have been discharged and thereafter shall be paid to the Lessor. Lessee's obligation to pay all installments of Rent and other sums shall continue for the duration of such requisitioning or taking unless and until the same shall become an Event of Loss.

## SECTION 16. INSURANCE.

As part of an insurance program including risk retention and self-insurance, Lessee will, at all times prior to the return of the Equipment to Lessor, at its own expense, cause to be carried and maintained (i) property damage insurance in respect of the Equipment at the time subject hereto and (ii) public liability insurance with respect to third-party personal injury and property damage, and Lessee will continue to carry such insurance in such amounts and for such risks and with such insurance companies and subject to such self-insurance, in each case as is consistent with prudent industry practice for utility companies with a comparable financial position to that of Lessee, but in any event not less comprehensive in amounts and against risks customarily insured against by Lessee in respect of equipment owned or leased by it similar in type to the Equipment. The property damage insurance maintained pursuant to clause (i) of the immediately preceding sentence shall, together with deductibles and permitted self-insurance amounts, at all times be carried in an amount not less than the Stipulated Loss Value of the Equipment.

So long as no Event of Default shall have occurred and be continuing under Section 18(a), (e) or (f) hereof, Lessee may from time to time self-insure in accordance with its then-current fleet-wide practice by way of deductible, premium adjustment or franchise provisions or otherwise in respect of the insurance policies covering the risks required to be insured against pursuant to this Section 16 and, subject to the requirements of the first paragraph of this Section 16, shall not be required to maintain property damage insurance in an amount in excess of \$0; *provided, however*, that during any period when (a) all first mortgage obligations issued by Lessee are rated lower than Baa3 by Moody's Investors Service, Inc. and lower than BBB- by Standard & Poor's Corporation or the equivalent thereto, or any successor to any thereof, or (b) no such debt security is outstanding or rated, the public liability insurance required hereunder shall provide a minimum coverage of \$25,000,000 and Lessee may not so self-insure for public liability insurance in aggregate policy year amounts in excess of \$5,000,000. If Lessee shall lose the right to self-insure and shall subsequently thereafter be able to self-insure, Lessee shall give Lessor not less than thirty days' prior written notice of the commencement of any self-insurance program permitted by this Section 16 (except in connection with the First Closing Date or the Second Closing Date), which notice shall include such details about such self-insurance as Lessor may reasonably request. In addition, Lessee shall cooperate with all reasonable requests of Lessor for such information and documentation about such self-insurance program prior to the commencement thereof.

Any insurance policies shall: (i) name and insure the Lessor, in its individual and trust capacities, Owner Participant, Security Trustee and the Note Purchaser as additional insureds under the comprehensive public liability insurance and under the property insurance to the extent of their interest in the Equipment, (ii) insure the Security Trustee or, in the event the Lien of the Security Agreement has been discharged, the Lessor, as loss payee with respect to the Equipment under a standard loss payee clause reasonably satisfactory to the Security Trustee or the Lessor, as the case may be, under the property insurance, (iii) with respect to property insurance, provide insurer's waiver of its right of subrogation, whether by attachment or otherwise, in respect of any liability against any

additional insured except for claims as shall arise from the willful misconduct or gross negligence of such additional insured, (iv) provide that such insurance as to the interest of the Lessor, Owner Participant, Security Trustee or the Note Purchaser shall not be invalidated by any action or inaction of Lessee or any other Person (other than such claimant), regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Lessee or any other Person (other than such claimant), (v) provide that all such insurance is primary without right of contribution from any insurance which might be maintained by the Lessor or any assignee under Section 13(b) and shall expressly provide that all provisions, except the limits of liability, shall operate in the same manner as if there were a separate policy covering each such additional insured, (vi) provide therein or by endorsement that thirty (30) days' prior written notice of cancellation or material adverse modification affecting the Equipment shall be given to the Lessor, Owner Participant, Security Trustee and the Note Purchaser and shall provide that such cancellation, change or modification shall not be effective during such 30 day period as to any of the Lessor, Owner Participant, Security Trustee and the Note Purchaser, and (vii) provide that no additional insured shall have any obligation or liability for premiums in connection with such insurance unless it wants to keep insurance in force which would otherwise lapse for failure to pay premiums. Any insurance required hereunder may be in the form of blanket policies covering other assets owned or leased by Lessee.

Lessee shall furnish the Lessor, Owner Participant, Security Trustee and the Note Purchaser with certificates or other satisfactory evidence of maintenance of the insurance so required and shall furnish written confirmation from the Lessee reasonably acceptable to the Lessor evidencing renewals thereof as soon as practicable but in no event later than the effective date of such renewal and certificates of insurance within twenty (20) days after such renewal is effected or the expiration date of the original policy or policies, as the case may be. All other terms of insurance shall be in accordance with such insurance carried by Lessee or its utility Affiliates with respect to other coal hopper cars in its fleet which it owns. Upon the execution and delivery of this Lease, certificates of the insurance coverage required by this Section 16 shall be delivered by Lessee to Lessor. Lessee shall furnish written notice to the Lessor, Owner Participant, Security Trustee and the Note Purchaser of any notice of cancellation, material modification affecting the Equipment, termination or lapse for non-payment of premiums with respect to any of the liability insurance provided pursuant to this Section 16 within 5 Business Days after the earlier of (i) the date on which Lessee receives such notice from the insurance company providing such insurance, and (ii) the date on which Lessee has actual knowledge of any such cancellation, material modification, termination or lapse for non-payment of premiums.

If the loss to the Equipment covered by said physical damage insurance is less than \$5,500,000, the proceeds of such insurance shall be payable to and adjusted by Lessee, *provided* that no Default or Event of Default shall have occurred and be continuing, and after the occurrence and continuance of a Default or an Event of Default such proceeds shall be paid to the Security Trustee so long as the Lien of the Security Agreement shall not have been discharged and thereafter shall be paid to the Lessor. If such loss equals or exceeds \$5,500,000, the applicable proceeds of such insurance shall be payable to the Security Trustee or, in the event that the Lien of the Security Agreement has been discharged, the

Lessor provided that the Security Trustee or the Lessor, as the case may be, shall, so long as no Default or Event of Default has occurred or is continuing, remit all such insurance proceeds to Lessee at such time as Lessee either (i) provides Lessor evidence that the damage has been repaired and the Equipment has been restored to good working order and condition or (ii) has paid to Lessor or Security Trustee, as the case may be, the amounts otherwise due to Lessor on loss of such Equipment pursuant to Section 15(b) hereof. Lessee's obligation to maintain insurance with respect to any Item of Equipment shall commence on the Acceptance Date of such Item of Equipment and shall run until the earliest to occur of (x) the date on which such Item of Equipment is sold, pursuant to Section 19 hereof, (y) the termination of this Lease with respect to such Items of Equipment pursuant to and in accordance with Section 27 hereof, or (z) the return of the Equipment to the Lessor in accordance with Section 5 hereof. Lessee covenants that it will not use or operate or permit the use or operation of any Item of Equipment at any time when the insurance required by this Section 16 is not in force with respect to such Item of Equipment and will not use the Equipment in a manner which would violate the terms and provisions of such insurance policies. If Lessee shall fail to cause the insurance required under this Section 16 to be carried and maintained, Lessor may provide such insurance and Lessee shall reimburse Lessor upon demand for the cost thereof as Supplemental Rent hereunder.

Nothing in this Section 16 shall prohibit Lessor, Owner Participant, Security Trustee or a holder of a Note from obtaining property insurance for any amount in excess of any insurance maintained by Lessee or contingent public liability insurance, in each case for its own account, and any proceeds payable thereunder shall be as provided in the insurance policy relating thereto; *provided* that no such insurance may be obtained that would limit or otherwise adversely affect the coverage of any insurance to be obtained or maintained by Lessee pursuant to this Section 16. Nothing herein contained shall be construed to permit double recovery for the same loss.

#### SECTION 17. NO WARRANTIES.

LESSEE LEASES THE EQUIPMENT AS-IS, WHERE-IS WITH ALL FAULTS, AND IN WHATEVER CONDITION IT MAY BE. NEITHER LESSOR, NOT BEING THE MANUFACTURER OR VENDOR OF THE EQUIPMENT, NOR OWNER PARTICIPANT NOR SECURITY TRUSTEE MAKES OR HAS MADE OR SHALL BE DEEMED TO MAKE OR HAVE MADE, ANY REPRESENTATIONS OR WARRANTY, EITHER EXPRESSED OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING, WITHOUT LIMITATION, THE DESIGN, OPERATION OR CONDITION OF THE EQUIPMENT, ITS MERCHANTABILITY, VALUE, DURABILITY, SUITABILITY OR ITS FITNESS FOR ANY PARTICULAR USE OR PURPOSE, LESSOR'S TITLE THERETO, THE QUALITY OF THE MATERIAL OR WORKMANSHIP OF THE EQUIPMENT, OR THE CONFORMITY OF THE EQUIPMENT TO THE PROVISIONS AND SPECIFICATIONS OF ANY PURCHASE ORDER OR ORDERS RELATING THERETO, AND EACH OF LESSOR, OWNER PARTICIPANT AND SECURITY TRUSTEE HEREBY DISCLAIMS ANY SUCH REPRESENTATION OR WARRANTY (WHICH DISCLAIMER LESSEE HEREBY ACKNOWLEDGES). WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, NEITHER LESSOR NOR OWNER PARTICIPANT NOR SECURITY TRUSTEE SHALL BE LIABLE OR RESPONSIBLE FOR ANY DEFECTS, EITHER PATENT OR LATENT (WHETHER OR NOT DISCOVERABLE BY LESSEE), IN THE EQUIPMENT, OR FOR ANY

INTERRUPTION IN LESSEE'S BUSINESS CAUSED BY LESSEE'S INABILITY TO USE THE EQUIPMENT FOR ANY REASON WHATSOEVER, ALL OF WHICH ITEMS OF EQUIPMENT WERE SELECTED BY LESSEE ON THE BASIS OF ITS OWN JUDGMENT WITHOUT RELIANCE UPON ANY STATEMENTS, REPRESENTATIONS OR WARRANTIES MADE BY OWNER TRUSTEE, OWNER PARTICIPANT OR SECURITY TRUSTEE, IT BEING AGREED THAT ALL SUCH RISKS, AS BETWEEN LESSOR, WHETHER IN ITS INDIVIDUAL CAPACITY OR AS TRUSTEE, OWNER PARTICIPANT, SECURITY TRUSTEE AND THE HOLDER OF ANY NOTE ON THE ONE HAND AND LESSEE ON THE OTHER HAND, ARE TO BE BORNE BY LESSEE.

Neither Lessor, Owner Participant nor Security Trustee shall have any responsibility or liability to Lessee or any other Person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Item of Equipment or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Item of Equipment or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Item of Equipment. Lessee's delivery of a Lease Supplement relating to an Item of Equipment shall be conclusive evidence as between Lessee and Lessor that such Item of Equipment is in all respects satisfactory to Lessee, and Lessee will not assert any claim of any nature whatsoever against Lessor, Owner Participant or Security Trustee based on any of the foregoing matters.

So long as an Event of Default shall not have occurred and be continuing, and so long as the Equipment shall be subject to this Lease and Lessee shall be entitled to possession of the Equipment hereunder, Lessor authorizes Lessee, at Lessee's expense, to assert for Lessor's account, all rights and powers of Lessor under any manufacturer's, vendor's or dealer's warranty on the Equipment or any part thereof; *provided, however*, that Lessee shall indemnify, protect, save, defend and hold harmless Lessor from and against any and all claims, and all costs, expenses, damages, losses and liabilities incurred or suffered by Lessor in connection therewith, as a result of, or incident to, any action by Lessee pursuant to the foregoing authorization, and that Lessee shall provide Lessor with prior written notice of any action Lessee proposes to take on Lessor's behalf pursuant to the foregoing authorization. Any payments made by any such vendor or manufacturer pursuant to such warranty for any Item of Equipment shall be payable to Lessee so long as no Default or Event of Default shall have occurred and be continuing and after the occurrence and continuance of a Default or an Event of Default shall be paid to the Security Trustee so long as the Lien of the Security Agreement shall not have been discharged and thereafter shall be paid to the Lessor. Such payment is to be used to repair or replace damaged components in accordance with Section 11 hereof, if feasible, and if not used, such amount shall be paid promptly to Lessor.

## SECTION 18. EVENTS OF DEFAULT.

Any of the following events shall constitute an Event of Default:

(a) Lessee shall fail to make any payment of Interim Rent, Fixed Rent, Stipulated Loss Value or Termination Value within ten (10) Business Days after the same is due and payable or any Supplemental Rent (other than Stipulated Loss Value or Termination Value) within thirty (30) days after receipt of written notice by Lessee; or

(b) Lessee shall fail to observe or perform any of the covenants or agreements of Lessee set forth in the first or second paragraph or clause (i) of the third paragraph of Section 16; or

(c) any representation or warranty made by Lessee herein, or in any Lessee Agreement (other than the Tax Indemnification Agreement) or any certificate furnished in connection herewith or therewith shall prove to have been incorrect in any material respect when such was made and shall remain material and materially incorrect at the time in question; or

(d) Lessee shall fail to perform or observe any other covenant, condition, or agreement to be performed or observed by it under any Lessee Agreement, or in any agreement or certificate furnished in connection herewith, and such failure shall continue unremedied for thirty (30) days after receipt of written notice by Lessee specifying such failure and demanding the same to be remedied; *provided* that, no such default (other than any default under the third paragraph of Section 16) shall be deemed an Event of Default if (i) such default is curable but cannot be cured within such thirty (30) day period, (ii) such default does not impair in any material respect the Lessor's interest in the Equipment or the security interest of the Security Trustee created pursuant to the Security Agreement, and (iii) Lessee is diligently pursuing such cure and effects such cure within 270 days of the date of such default or before the last day of the Lease Term, whichever shall occur first; or

(e) Lessee becomes insolvent (however such insolvency may be evidenced) or admits insolvency or bankruptcy or its inability to pay its debts as they mature, makes an assignment for the benefit of creditors or applies for or consents to the appointment of a custodian, trustee or receiver for Lessee, or for the major part of its property or commences a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect; or

(f) a proceeding shall have been instituted in a court having jurisdiction in the premises, seeking a decree or order (i) for relief in respect of Lessee in an involuntary case under any applicable bankruptcy, reorganization, insolvency or other similar law now or hereafter in effect or (ii) for the appointment of a custodian, receiver, trustee or similar official of Lessee or of its property, or (iii) for the winding up or liquidation of the affairs of Lessee, and either (I) any such proceeding

shall remain undismissed or unstayed and in effect for a period of 90 consecutive days or (II) such court shall enter a decree or order granting the relief sought in such proceeding or Lessee shall consent to such entry.

#### SECTION 19. REMEDIES UPON DEFAULT.

Upon the occurrence of any Event of Default, Lessor may exercise one or more of the following remedies as Lessor in its sole discretion shall elect:

(a) Lessor may terminate or cancel this Lease, without prejudice to any other remedies of Lessor hereunder, with respect to all or any Item of Equipment, and may enter the premises of Lessee to take immediate possession of the Equipment and remove all or any Item of Equipment by summary proceedings or otherwise, or may cause Lessee, at Lessee's expense, to surrender and deliver possession of the Equipment or such Item in the same manner as provided in Section 5 hereof;

(b) Lessor may hold, keep idle or lease to others the Equipment or any Item of Equipment, as Lessor in its sole discretion may determine, free and clear of any rights of Lessee and without any duty to account to Lessee with respect to such action or inaction or for any proceeds with respect thereto, except that Lessee's obligation to pay Fixed Rent payable after Lessee shall have been deprived of possession pursuant to this Section 19 shall be reduced by the net proceeds, if any, received by Lessor from leasing the Equipment or such Item to any Person other than Lessee after Lessee shall have been so deprived of possession;

(c) Unless Lessor has exercised its remedies with respect to such Item of Equipment specified in paragraph (d) of this Section 19, Lessor may sell any Item of Equipment at public or private sale as Lessor may determine, free and clear of any rights of Lessee, and Lessee shall pay to Lessor all unpaid Fixed Rent payable up to and including the date on which such sale occurs (computed on a daily equivalent basis for the period from and including the Rent Payment Date immediately preceding the date of such sale to and including the date of such sale), plus, as liquidated damages for loss of a bargain and not as a penalty (in lieu of the Fixed Rent for such Item sold payable after the date on which such sale occurs), an amount equal to the excess, if any, of (i) the Stipulated Loss Value of such Item so sold, computed as of the Rent Payment Date coincident with or immediately preceding the date of such sale, over (ii) the net proceeds of such sale;

(d) Unless Lessor has exercised its remedies with respect to such Item of Equipment specified in paragraph (c) of this Section 19, Lessor, by written notice to Lessee, may demand that Lessee pay to Lessor, and Lessee shall pay to Lessor all unpaid Fixed Rent payable therefor up to and including the date of such notice plus, as liquidated damages for loss of a bargain and not as a penalty (in lieu of the Fixed Rent for any Item of Equipment payable after the date of such notice and in lieu of the exercise by Lessor of its rights under such subsection (c) above with respect to such Item of Equipment), whichever of the following amounts Lessor, in its sole discretion,

shall specify in such notice: (i) an amount, with respect to such Item of Equipment, equal to the excess, if any, of the Fixed Rent payable for such Item of Equipment for the remainder of the then current Lease Term, over the Fair Market Rental Value of such Item of Equipment for the remainder of the then current Lease Term, after discounting such excess to present worth as of the payment date specified in such notice at the lower of (I) the Prime Rate and (II) the interest rate of the Notes; or (ii) an amount, with respect to each Item of Equipment, equal to the excess, if any, of the Stipulated Loss Value of such Item of Equipment computed as of the Rent Payment Date coincident with or next following the Event of Default, over the Fair Market Sales Value of the Equipment as of the said date;

(e) Lessor may proceed by appropriate court action to enforce the terms hereof or to recover damages for the breach hereof or to rescind this Lease; and

(f) Lessor may exercise any other right or remedy which may be available to it under applicable law.

No remedy referred to in this Section 19 is intended to be exclusive, but each shall be cumulative and may be exercised concurrently or consecutively and shall be in addition to any other remedy referred to above or otherwise available to Lessor at law or in equity, and the exercise in whole or in part by Lessor of any one or more of such remedies shall not preclude the simultaneous or later exercise by Lessor of any or all such other remedies. Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is effective under applicable law. Lessee hereby waives to the extent permitted by law any and all existing or future claims to any offset against the Rent payments due hereunder, and agrees to make such payments regardless of any offset or claim which may be asserted by Lessee or on its behalf. Except as otherwise provided in this Lease, Lessee, to the full extent effective under applicable law, hereby waives all statutory or other legal requirements for any notice of any kind, any other requirements with respect to the enforcement of Lessor's rights under this Lease and any and all rights of redemption. No waiver by Lessor of any Event of Default hereunder shall in any way be, or be construed to be, a waiver of any future or subsequent Event of Default.

In addition, the Lessee shall be liable for any and all unpaid Rent due hereunder before or during the exercise of any of the foregoing remedies, including during the appeal or enforcement of any judgment, and for all reasonable legal fees and other costs and expenses incurred by reason of the occurrence of any Default or Event of Default or the exercise of the Lessor's remedies with respect thereto, including without limitation, the repayment in full of any costs and expenses necessary to be expended in repairing or modifying any Item in order to cause it to be in compliance with all maintenance and regulatory standards imposed by this Lease.

Upon the date of termination of this Lease by Lessor pursuant to Section 19(a), Lessee shall, without expense to the Lessor, promptly redeliver the Items of Equipment or cause the Items of Equipment to be redelivered, to the Lessor with all reasonable dispatch, in

the same manner and in the same condition as if such Items of Equipment were being redelivered on the last day of the Lease Term in accordance with the provisions of Section 5, and all obligations of the Lessee under Section 5 shall apply to such redelivery. Lessor, without further notice, may, but shall be under no obligation to, retake such Items of Equipment wherever found, without the Lessor incurring any liability by reason of such retaking, whether for the restoration of damage to property caused by such retaking or otherwise.

Without in any way limiting the obligation of Lessee under the foregoing provisions of this Lease, Lessee hereby irrevocably appoints Lessor as the agent and attorney of Lessee with full power and authority (which power is coupled with an interest) to, upon the occurrence and continuance of an Event of Default hereunder, exercise Lessor's rights under this Lease, at any time while Lessee is obligated to deliver possession of any Item of Equipment to Lessor, to demand and take possession of such Item of Equipment in the name and on behalf of Lessee from whomever shall then be in possession of such Item.

#### SECTION 20. LESSOR'S RIGHT TO PERFORM FOR LESSEE.

If Lessee fails to perform or comply with any of its agreements or covenants contained herein, Lessor may (but shall not be obligated to) itself, after notice to Lessee, perform or comply with such agreement or covenant or make advances to perform the same, and the amount of the reasonable expenses of Lessor incurred in connection with the performance of or compliance with such agreement or covenants, shall, if not paid by Lessee to Lessor on demand, be payable as Supplemental Rent hereunder.

#### SECTION 21. LATE CHARGES.

Lessee shall pay to Lessor as Supplemental Rent, to the extent permitted by applicable law, interest on any amount of Interim Rent, Fixed Rent and any Supplemental Rent which is not paid when due, for any period for which the same is overdue (without regard to any grace period) at a rate equal to the Late Rate.

#### SECTION 22. COVENANT OF QUIET ENJOYMENT.

During the Lease Term of any Item of Equipment hereunder and so long as no Event of Default has occurred and is continuing and there has not been any exercise of remedies under this Lease, Lessor covenants and agrees that Lessee shall have the right to uninterrupted use and enjoyment of such Item on the terms and conditions provided herein without any interference from Lessor or Owner Participant or those claiming through or against Lessor, including, but not limited to any assignee or lender or mortgagee of Lessor or Owner Participant. For purposes of this Section 22, the delivery of notices of default or nonperformance delivered under and pursuant to Section 18 shall not be deemed to constitute a violation of this Section 22.

SECTION 23. OTHER DOCUMENTS.

Except as otherwise provided herein, each party hereto will, at Lessee's expense, execute and deliver to the other party such other documents and assurances and take such further action as may from time to time be reasonably requested in order to more effectively carry out the intent and purpose of this Lease and to establish and protect the rights and remedies created or intended to be created in favor of Lessee, Lessor and the Security Trustee hereunder and under the Security Agreement.

SECTION 24. NOTICES AND REQUESTS.

Unless otherwise expressly specified or permitted by the terms hereof, all communications and notices provided for herein shall be in writing or by a telecommunications device capable of creating a written record, and any such notice shall become effective upon receipt by the addressee or, if such receipt is rejected, upon rejection, at its address set forth below or, in the case of any such party hereto, at such other address as such party may from time to time designate by written notice to the other parties hereto:

If to Lessee:	Western Resources, Inc. 818 Kansas Avenue Topeka, Kansas 66612 Attention: Vice President-Finance Fax No.: (913) 575-8160 and Attention: Director of Fuels Fax No.: (913) 575-8173

All notices required to be delivered under this Lease to Lessor shall, so long as the Lien of the Security Agreement shall not have been discharged, also be delivered to the Security Trustee.

SECTION 25. LESSEE'S RENEWAL AND PURCHASE OPTIONS.

(a) *Lessee's Renewal Option.* If no Default or Event of Default shall have occurred and be continuing (other than any Default or Event of Default pursuant to Section 18(d) hereof so long as such default is curable and Lessee is diligently pursuing such cure as provided therein), and this Lease shall not have been earlier terminated, Lessee shall be entitled, at its option upon written notice to Lessor, as hereinafter provided, to renew this Lease in accordance with the following terms, with respect to the Items of Equipment then subject to this Lease:

(i) commencing at the expiration of the Basic Term, Lessee shall have the option to renew this Lease with respect to any one or more Items of Equipment then subject to the Lease, for a period of at least one year, as selected by Lessee, but in no event shall (1) such Renewal Term when added to the Interim Term and the Basic Term exceed (x) 80% of the sum of the Interim Term plus the Basic Term plus the then remaining useful life of such Item(s) of Equipment or (y) 50% of the Basic Term and (2) the expected residual value of such Equipment at the end of such Renewal Term be an amount less than 20% of the Purchase Price of such Equipment (without regard to inflation or deflation occurring or expected to occur from the Acceptance Date until the end of such Renewal Term) determined in each case in the manner described in Section 25(c) hereof, and that the Fixed Rent payable during such Renewal Term for any Item of Equipment shall be at a rate equal to 50% of the average amount of each installment of Fixed Rent payable in respect of such Item during the Basic Term; and

(ii) commencing at the expiration of the Basic Term and at the expiration of each Renewal Term thereafter, Lessee shall have the option to renew this Lease with respect to any Item of Equipment then subject to the Lease, for periods of integral multiples of six months (provided no such renewal term shall be less than one year) and the Fixed Rent payable during any such Renewal Term shall be at a rate equal to the Fair Market Rental Value of such Item of Equipment determined in accordance with Section 25(c).

Except as stated above, all of the provisions of this Lease (other than Section 27) shall be applicable during each Renewal Term for each Item of Equipment, except that, during each Renewal Term, Fixed Rent shall be payable semi-annually in arrears during each Renewal Term, on the twenty-eighth day of each May and November thereof. Stipulated Loss Values and Termination Values for each Item of Equipment on any Rent Payment Date during any Renewal Term shall be an amount equal to Stipulated Loss Value or the Termination Value, as the case may be, for such Item of Equipment determined as of the last Rent Payment Date of the Basic Term. If Lessee intends to exercise said renewal option under clause (i) above, Lessee shall give written notice to Lessor to such effect on the 12th or 15th anniversary of the Basic Term Commencement Date, or on a date no earlier than 365 days and no later than 270 days prior to the expiration of the Basic Term, *provided, however*, that the Lessee may withdraw its election to renew the Lease at any time before the 180th day prior to the expiration of the Basic Term. If Lessee intends to exercise said renewal option under clause (ii) above, Lessee shall give written notice to Lessor to such effect at least 270 days prior to the expiration of the Basic Term or Renewal Term of such Item(s) of Equipment, *provided, however*, that the Lessee may withdraw its election to renew the Lease at any time before the 180th day prior to the expiration of the Basic Term or Renewal Term of such Item(s) of Equipment. Notwithstanding anything to the contrary contained in this Section 25(a), no renewal of this Lease shall constitute or be deemed a waiver of any Default or Event of Default that existed at the time of such renewal of this Lease or of any rights of Lessor resulting therefrom.

Lessee's initial election may be under both Section 25(a) and Section 25(b).

(b) *Lessee's Purchase Option.* If (i) no Restrictive Lease Default or Restrictive Lease Event of Default shall have occurred and be continuing, and (ii) this Lease shall not have been earlier terminated, Lessee shall be entitled, at its option, upon written notice to Lessor as hereinafter provided, to purchase some or all of the Items of Equipment then subject to this Lease, chosen on a random basis, on the date immediately following the date of the expiration of the Basic Term of each such Item of Equipment, for an amount, with respect to each such Item of Equipment, payable in immediately available funds, equal to the lesser of (i) the Fair Market Sales Value thereof determined in accordance with Section 25(c) hereof or (ii) 53% of the Purchase Price of such Item(s) of Equipment, plus any applicable sales or similar transfer taxes, if any. In addition, Lessee shall have the option to purchase at the end of any Renewal Term those Items of Equipment with respect to which the Lessee has not elected to renew the Lease for the Fair Market Sales Value of such Item(s) of Equipment.

If Lessee intends to exercise said purchase options, Lessee shall give written notice to Lessor to such effect at least 270 days prior to the expiration of the Basic Term or Renewal Term of such Item(s) of Equipment; *provided, however*, that the Lessee may withdraw its election to purchase any such Item(s) of Equipment at any time before the 180th day prior to the expiration of the Basic Term. In the event that Lessee exercises its purchase options under this Section 25(b), Lessor shall execute and deliver to Lessee a bill of sale, in which Lessor transfers the Item to Lessee "as is" and represents only that it is transferring whatever title was transferred to it, free and clear of all liens in favor of any person claiming by, through or under Lessor, in a form reasonably acceptable to Lessee, upon payment of the sale price by Lessee.

Lessee's initial election may be under both Section 25(a) and Section 25(b).

(c) *Determination of Fair Market Sales Value and Fair Market Rental Value; Appraisal Procedure.* If Lessee intends to exercise its renewal option, as provided in Section 25(a) hereof, or intends to exercise its purchase option, as provided in Section 25(b) hereof, then at least 30 days prior to the date on which Lessee is required to notify the Lessor of its election to exercise any renewal option or any purchase option described above, Lessee shall select an appraiser mutually acceptable to Lessor for the purpose of determining the Fair Market Rental Value or Fair Market Sales Value, as the case may be, of each such Item of Equipment as of the end of the Basic Term thereof, or, if this Lease has been renewed pursuant to Section 25(a) hereof, then as of the end of the then current Renewal Term thereof, and in the event this Lease is being renewed pursuant to Section 25(a)(i), the remaining economic life and residual value of such Equipment as set forth in Section 25(a). For the purposes of determining the remaining economic life and the residual value of the Equipment pursuant to Section 25(a)(i) hereof, all non-severable improvements made by the Lessee, other than improvements required by law or required to maintain the Equipment in the condition required by this Lease, shall be ignored.

In the event Lessor and Lessee fail to agree upon a qualified independent appraiser within 15 days of Lessee's notice of intent to exercise either its renewal or purchase option, each party shall appoint an independent appraiser (the "*Independent Appraiser*") within 10

days thereafter, and the two appraisers so appointed shall within 15 days thereafter appoint a third independent appraiser (the "*Consensus Appraiser*") who shall determine within 30 days the Fair Market Rental Value or the Fair Market Sales Value, as the case may be. If a Consensus Appraiser is not appointed within 15 days, either party may request the American Arbitration Association to determine the appraisal values and amounts, and both parties shall be bound by any such determination.

Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Sales Value and/or the Fair Market Rental Value, as the case may be, and the economic life or residual value, if applicable, of such Item(s) of Equipment within 30 days after the appointment of such appraiser(s). If the parties shall have either appointed a single appraiser or a Consensus Appraiser, such appraiser's determination of such values and economic life shall be final. The fees and expenses of any appraiser appointed under this Section 25(c) shall be paid for as follows: (i) if the parties shall have elected a single appraiser, the appraisal fees and expenses incurred in connection with such appraiser shall be paid by Lessee, (ii) if Lessee and Lessor each select an Independent Appraiser, each party shall pay the respective fees and expenses incurred in connection with such Independent Appraiser selected by it, and (iii) the fees and expenses incurred in connection with any Consensus Appraiser shall be shared equally by Lessee and Lessor. The above-described procedure shall be from time to time referred to as the "*Appraisal Procedure*".

#### SECTION 26. FINANCIAL INFORMATION; REPORTS.

Lessee agrees to furnish Lessor, the Owner Participant, the Security Trustee and each holder of a Note (1) within 105 days after the close of its fiscal year, an annual report of Lessee, consisting of its audited financial statements including balance sheets as of the end of such fiscal year, statements of income and cash flows for the year then ended with all notes thereto in each case certified as true and correct by the auditor thereof (which may be contained in the Annual Report on Form 10-K); (2) within 60 days after the close of each of the first three quarterly periods of Lessee's fiscal year, a balance sheet of Lessee as of the end of such quarter, and comparative statements of income and cash flows for such quarter (which may be contained in the Quarterly Report on Form 10-Q); (3) promptly upon Lessee obtaining knowledge that there has occurred and is continuing any condition, event, act or omission which constitutes a Default or an Event of Default or a Lien (other than Permitted Encumbrances) on the Equipment, notice of such condition, event, act or omission and the steps which Lessee has taken or is taking to remedy the same; and (4) such additional information concerning the location, condition, use and operation of the Equipment and financial condition of Lessee as Lessor, Security Trustee or such holder may from time to time reasonably request. On or before June 30, 1994, and on each June 30 thereafter, Lessee will furnish to the Security Trustee an accurate statement, as of the preceding December 31, showing all Items of Equipment that may have suffered an Event of Loss during the twelve months ending on such December 31 (or since the First Closing Date, in the case of the first such statement).

## SECTION 27. VOLUNTARY TERMINATION FOR OBSOLESCENCE.

So long as no Default or Event of Default shall have occurred and be continuing hereunder, Lessee shall have the right at its option on or after May 28, 2000 on at least one hundred eighty (180) days' prior written notice to Lessor, to terminate this Lease with respect to all but not less than all Items of Equipment then leased hereunder if, in Lessee's good faith opinion as evidenced by a certificate of the President, any Vice President or the Chairman of the Board of the Lessee, such Items shall have become economically obsolete or surplus to Lessee in its business, such termination to be effective on the Rent Payment Date specified in such notice (for purposes of this Section 27, called the "*termination date*"), upon payment to Lessor of the sum of (i) the installment of Fixed Rent due on such termination date, (ii) any other Rent or other sums due and owing on or in respect of the Equipment and (iii) an amount equal to the Termination Value of such Equipment as of the termination date. If Lessee shall fail to pay all amounts due under and pursuant to this Section 27, this Lease shall continue in full force and effect and it shall be deemed that Lessee has rescinded its notice of termination. Lessee shall not be entitled to terminate this Lease pursuant to this Section 27 more than one time during any 12 consecutive month period during the Lease Term. During the period from the giving of such notice until the termination date, Lessee, as non-exclusive agent for Lessor, shall use its reasonable efforts to secure the highest obtainable bids for the purchase of such Items and in the event it receives any bid during such period, Lessee shall promptly certify to Lessor in writing the amount and terms of such bid and the name and address of the party submitting such bid. Lessor or the Owner Participant may obtain bids, but shall be under no duty to solicit bids, inquire into the efforts of Lessee to obtain bids or otherwise take any action in connection with arranging such sale. Neither Lessee nor any person, firm or corporation, affiliated with Lessee, may purchase any such Item(s) of Equipment.

Upon, but not until, payment by the Lessee of all sums required to be paid pursuant to this Section 27, Lessor shall sell the Equipment for cash to the highest bidder, which is not an Affiliate of Lessee, certified by Lessee or obtained by Lessor or the Owner Participant and the net proceeds realized at such sale (after deduction of all reasonable out-of-pocket costs incurred by the Lessor or the Owner Participant and any applicable sales or transfer taxes) in an amount equal to the sum of the amounts specified in clause (iii) of the first sentence of the first paragraph of this Section 27 shall be retained by Lessee and any proceeds in excess of such amounts specified in such clause shall be retained by Lessor. On the termination date, upon payment in full of the sums required by this Section 27, Lessee shall request the Security Trustee, so long as the Lien of this Security Agreement remains undischarged, to execute a release of such Item(s) from the Lien of the Security Agreement and Lessee shall deliver possession of such Item(s) to the bidder, if any, which shall have submitted the highest bid during such period, and Lessor shall, without recourse or warranty other than that it is transferring whatever title was transferred to it, free and clear of all Liens in favor of any Person claiming by, through or under Lessor, simultaneously therewith sell such Item(s) on an "as-is", "where-is" basis for cash to such bidder. Upon, but not until, disposition of the Equipment and payment of the sums required by this Section 27, this Lease shall terminate with respect to the Equipment. In disposing of the Equipment pursuant to this Section, Lessee shall take such action as Lessor or the Owner Participant

shall reasonably request to terminate any contingent liability which Lessor or the Owner Participant might have arising after such disposition.

#### SECTION 28. CONSOLIDATION, MERGER AND SALE OF ALL ASSETS.

Lessee will not merge or consolidate with any other corporation or sell, lease or otherwise dispose of all or substantially all of its assets to any person, firm or corporation unless (a) except in the case of a merger or consolidation involving Lessee, Lessee's Subsidiary, Kansas Gas and Electric Company, and, if desired and if as part of such merger or consolidation, one or more other corporations which are Affiliates of Lessee or such Subsidiary, immediately after such transaction, no Default or Event of Default shall have occurred and be continuing, and (b) the corporation which is to be the surviving or acquiring corporation in such transaction (i) shall be a corporation organized and existing under the laws of the United States of America or a state thereof and (ii) shall, if the surviving or acquiring corporation is other than Lessee, by agreement in writing, reasonably satisfactory to the Participants, expressly assume the due and punctual payment of the Rent and other sums due and to become due under this Lease, the Participation Agreement and the Tax Indemnification Agreement and the Participants shall have received an opinion of counsel reasonably satisfactory to the Participants, in form and substance reasonably satisfactory to them, to the effect that the instrument of assumption has been duly authorized, executed and delivered and constitutes the legal, valid and binding contract and agreement of the surviving corporation enforceable in accordance with its terms, except as enforcement of such terms may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally.

#### SECTION 29. MISCELLANEOUS.

Each party agrees that the other party shall not by act, delay, omission or otherwise be deemed to have waived any of its rights or remedies hereunder unless such waiver is given in writing. A waiver on one occasion shall not be construed to be a waiver on any other occasion. The captions in this Lease are for convenience of reference only and shall not be deemed to affect the meaning or construction of any of the provisions hereof. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating or diminishing Lessor's or Lessee's rights under the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. No term or provision of this Lease may be amended, altered, waived, discharged or terminated orally, but may be amended, altered, waived, discharged or terminated only by an instrument in writing signed by a duly authorized officer of the party against which the enforcement of the amendment, alteration, waiver, discharge or termination is sought. All of the covenants, conditions and obligations contained in this Lease shall be binding upon and shall inure to the benefit of the respective successors and permitted assigns of Lessor and Lessee. This Lease, each Lease Supplement and each related instrument, document, agreement and certificate, collectively constitute the entire agreement of Lessor and Lessee with respect to the acquisition and

leasing of the Equipment, and cancel and supersede any and all prior oral or written understandings with respect thereto. This Lease shall in all respects be governed by, and construed in accordance with, the laws of the State of Kansas, including all matters of construction, validity and performance.

#### SECTION 30. LIABILITY OF LESSOR LIMITED.

It is expressly agreed, anything herein to the contrary notwithstanding, that each and all of the representations, warranties, covenants, undertakings and agreements herein made on the part of Lessor are made and intended not as personal representations, warranties, covenants, undertakings and agreements by The Connecticut National Bank or for the purpose or with the intention of binding The Connecticut National Bank personally, but are made and intended for the purpose of binding only the Trust Estate, and this Lease is executed and delivered by The Connecticut National Bank not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against The Connecticut National Bank on account of this Lease or on account of any representation, warranty, covenant, undertaking or agreement of Lessor herein, either expressed or implied herein, all such personal liability, if any, being expressly waived and released by Lessee and by all persons claiming by, through or under it, and that all recourse against The Connecticut National Bank under this Lease shall be limited to the Trust Estate; *provided, however*, that nothing herein shall be interpreted to relieve The Connecticut National Bank from any personal liability expressly assumed in any Operative Agreement.

#### SECTION 31. EXECUTION.

This Lease may be executed in any number of counterparts and by the different parties hereto on separate counterparts (or upon separate signature pages bound together into one or more counterparts), each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. To the extent, if any, that this Lease or any Lease Supplement constitutes chattel paper or other collateral within the meaning of the Uniform Commercial Code (or other law respecting security interests) as in effect in any applicable jurisdiction, no security interest in Lessor's interest under this Lease or any such Lease Supplement may be created through the transfer or possession of any counterpart of this Lease or such Supplement other than the original executed Counterpart No. 1 hereof or thereof which shall be identified on the cover, the receipt of which is acknowledged by the Security Trustee.

#### SECTION 32. RETURN OF CERTAIN FUNDS.

All amounts held by or due from Lessor or Security Trustee which, but for the existence of a Default or an Event of Default under the Lease, would have been paid or credited to the Lessee pursuant to the terms of this Lease, upon termination or expiration of this Lease as to all Items of Equipment, the return of the Equipment in the manner provided

hereby, the payment by Lessee of all amounts then due and owing pursuant to the Operative Agreements to Security Trustee, the Owner Participant, any Noteholder and the Lessor (including with limitation all Indebtedness Hereby Secured) and the termination of the Security Agreement, shall be promptly paid to Lessee even though the Default or Event of Default shall continue.

IN WITNESS WHEREOF, Lessor and Lessee have caused this instrument to be executed,  
all as of the day and year first above written.
